

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, Federal law requires the Plan to inform you that you may be entitled to certain benefits. For individuals receiving mastectomy-related benefits, coverage will be provided under the Plan in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymph edema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the Plan. If you would like more information on these benefits, contact Aetna, www.aetna.com +1 800 663 0911.
